# ***WELCOME!***

---

Miss Gay New Jersey Association Inc. (MGNJA, Inc.) wishes to welcome and thank you for your interest in this year's newly created Miss Gay New Jersey Newcomer Pageant Contest. It has been an exciting year with many new accomplishments including watching new relationships blossom within the realm of female impersonation entertainment. We have lots of enthusiasm to change turn things up a bit compared to last year including righting what may have been done wrong. We hope to see both old and new faces in the upcoming pageant season.

This year contestants will be judged in the following categories: presentation, evening attire, question & answer and talent. The winners will not only be beautiful, hot and sexy, but must also have an eye for talent, be intelligent, exhibit a good sense fashion, professionalism, demonstrate leadership, and have impeccable administrative skills.

As a contestant you have the opportunity to experience the rewarding aspects of presenting quality pageants and entertainment to the gay, lesbian, bisexual, transgender and even straight communities within the Tri State area (New York, New Jersey and eastern Pennsylvania).

Once again, thank you for being here, without you there would not be this.

If you have any questions, please do not hesitate in asking one of the current and board member or me:

ALL CONTESTANTS

PRESENTATION (NOT JUDGED)

The Presentation category is where the audience gets the first opportunity to meet you and learn who you are. In this category, contestants will come out in a Black Cocktail Dress of their choice. This should not be a category which considered a deduction.

---

Talent 150 points (EACH JUDGE)

Talent may be of any form of entertainment as long as it does not create any danger to the contestants, the staff, or audience members. The time limit for all talent presentations is seven (7) minutes. This time includes prop set up and tear down.

Music must be recorded on a CD only. It must be properly cued. Please label your music appropriately with you name. High quality CD's are highly recommended as well as a backup CD. **If you would like your CD returned, please see President or VP during the next board meeting or the DJ after the event completes.** The CD should have on it your talent number only. **Absolutely NO** fire, water, nudity, pyrotechnics, excessive glitter/powder, animals are allowed during the contest. Administrative points will be deducted to any contestant whose talent presentation goes over the seven (7) minute time limit. If there is a problem with the length, please contact the President of MGNJA, Inc. to discuss.

**Dancer \ Assistants**

Your dancers are required to purchase a ticket since they are not doing anything most of the pageant contest time besides watching the show. We are not responsible in locating your dancers in the audience. Dressers will not be charged for a ticket since they will not be able to see the pageant. **You are to only have one dresser in the dressing room.** If your dresser is found watching the show and not watching your stuff, they will be required to pay full admission. Dancers can choice to help volunteer before and during the pageant (expect before your number) and will not be charged. Please speak to Bill regarding this.

ANY CONTESTANT WHO HAS MORE THAN ONE DRESSER BACK STAGE AT ANY PORTION OF THE PAGEANT WILL RECEIVE A **50 POINT ADMINSTRATIVE DEDUCTION** FOR EACH PERSON OVER THE ONE ALLOTTED. **THERE ARE NO EXCEPTIONS TO THIS RULE WHATSOEVER!!!!**

**IF YOU ARE MISSING STUFF, THEN BLAME YOUR DRESSER. THEY ARE SUPPOSED TO BE WATCHING YOUR BELONGINGS AND MAKING SURE YOUR THINGS ARE PUT AWAY.**

## ALL CONTESTANTS

### EVENING ATTIRE 100 points (EACH JUDGE)

Your attire should complement your figure and be a statement of your style, taste, and persona. The outfit and accessories should be in perfect condition. No strings should be found anywhere (this includes sleeves, neckline, hem, along the zipper, or at any seam). There shouldn't be any tears in any part of the fabric. The outfit should be stain free and wrinkle free. It is the contestant's responsibility to take care of the attire and keep it in perfect condition for the duration of the pageant. The hem should be even, unless the style calls for it to be that way. The judges should not be able to see through any part of the outfit unless the style of the outfit calls for such. A V-neck is fine, but if it is cut to low, it looks manly. The attire you choose should NOT hinder your abilities to model and work the Runway. Your presentation should be clean and presentable. Your choice of attire is STRICTLY your choice.

For Miss Contestants, Jewelry should accessorize and not be over powering. A beaded outfit doesn't need anything more than earrings to complete a look. Shoes should match the outfit and complement it. Shoes should not be scuffed, worn at the toe or heels, and not seen to bend under the weight of the contestant. Do not point out accessories or features of the gown while the platform statement is being read. Practice turning and walking in the shoes you will be wearing during this presentation. Hair should be appropriate for evening wear and go along with the style of the gown. Hair should not be unkempt, and should not be frizzy unless style warrants. Hair that is put up looks neater if long tendrils of hair are not going down the back of the neck, but if no hairline is showing this is acceptable.

---

### QUESTION & ANSWER 75 points (EACH JUDGE)

Once you finish modeling onstage during the Evening Attire category we will go directly into Q&A for each contestant. The ability to answer the question asked to the fullest extent possible. Clear and concise is always appreciated and admired. Try to be honest and aspiring when answering the question.

#### **Deductions \ Lateness**

<i>First Offense</i>	<i>25 Points</i>
 <i>Second Offense</i>	 <i>50 Points, plus point previously assessed.</i>
 <i>Third Offense and all remaining</i>	 <i>75 Points, plus points assessed from the first and second offences.</i>

This starts with any and all required meetings and start times.

#### **Music**

You have a total of seven (7) minutes to use in any which way or form. This time will include music, props etc.

All time starts from the moment your name is announced to the end when you are thanked by the announcer. Please keep in mind any setup, breakdown and cleanup which may be required.

Any time over this amount will be an automatic 25-point deduction for every minute over the 7 (seven) minute time allotment. After 7 minutes, the contestant can become disqualified, especially if the President was unaware of the timing.

#### **The day of the Pageant**

The day of the pageant is very fast paced and the day usually escapes us because time moves rather quickly. We ask everyone, board members, assistance, contestant, and any and all other pageant personnel. Please refrain from talking during any scheduled check points, meeting, etc., as you may miss something. It is important to be on time during scheduled checkpoints because announcements will be made on time. If you are late and miss an announcement you have no one else to blame but yourself. Please be mindful of the board's attentiveness to making the pageant a great success for each contestant, the people in the audience, and of course the organization itself. If you do not understand an announcement or a change ask one of the executive board members for clarification. Do not take it upon yourself to assume the inevitable. Remember, everything you do does reflect on your image.

**Make it easier on yourself and be on time and don't rely on others!**
